

INTRODUCING NEW ADAPTOR CLOSURES

A SUSTAINABLE CHOICE FOR YOUR BUSINESS

At Empire Emco, we pride ourselves on versatility and adaptability. Our commitment to sustainability drives every aspect of our product development. Innovation Unveiled: Introducing the 89-400 and 70-400 Adaptor Closures, Proudly Made in the USA!

WHY SHOULD YOU CARE? LET US TELL YOU:

ECO FRIENDLY MATERIALS:

Our closures are crafted from high-quality, sustainable materials, reducing your carbon footprint without compromising on performance.

QUICKER FILLING:

Say goodbye to time-consuming filling processes. Our closures are designed to fit any wide-mouth container with an 89mm or 70mm finish, allowing for rapid and efficient filling, saving you time and resources.

CONVENIENT PAIRING:

Pair our closures with a 28mm pump of your choice for added convenience. Whether you're packaging cosmetics, personal care products, or household goods, the addition of a pump enhances user experience and reduces product waste.

MADE IN THE USA:

By choosing our products, you're supporting local manufacturing and contributing to the growth of domestic industries.

CUSTOMIZATION OPTIONS:

We understand that every business has unique needs. That's why we offer customization options to tailor our closures to your specific requirements, ensuring a perfect fit for your brand.

Make the sustainable choice for your business and join us in our mission to create a greener future. Contact us today to learn more about our eco-friendly packaging solutions and how they can benefit your brand.

TOGETHER, LET'S MAKE A DIFFERENCE. ONE PACKAGE AT A TIME.
