

# ENGINEERING SERVICES

## REDEFINING PACKAGING SUSTAINABILITY

At Empire Emco, we recognize the pivotal role of sustainability in shaping the future of packaging. Our mission goes beyond providing packaging solutions; we aim to be your partner in sustainability, driving innovation with our comprehensive suite of engineering services tailored to eco-conscious brands. Located at our corporate headquarters, our expert team is committed to designing packaging that not only meets your product needs but also aligns with your environmental values, facilitating a quicker transition of your sustainable products to market success.

### SUSTAINABLE SERVICES DESIGNED FOR YOU:

#### **CUSTOM ECO-FRIENDLY PACKAGING DESIGN:**

Specializing in developing packaging solutions that resonate with your brand's sustainability goals and product requirements.

#### **INNOVATIVE 3D DEVELOPMENT & RAPID PROTOTYPING:**

Leveraging the latest eco-friendly materials and technologies for fast-paced development and prototyping, ensuring your packaging is efficient, precise, and green.

#### **REVERSE ENGINEERING FOR SUSTAINABILITY:**

Analyzing and improving existing packaging solutions for better environmental impact, or replicating eco-designs with precision.

#### **SHORT-RUN MOLDING WITH SUSTAINABLE MATERIALS:**

Ideal for eco-conscious prototyping or limited production runs, our molding services utilize sustainable materials to bring your vision to life responsibly.

#### **COMPREHENSIVE GREEN TOOLING SERVICES:**

From concept to production, our tooling services are integrated seamlessly, promoting efficiency and reducing waste.

#### **PRODUCT INTEGRITY AND ECO COMPLIANCE TESTING:**

Ensuring your products not only meet industry standards but also embody sustainability, with thorough testing and evaluation.

### WHY PARTNER WITH EMPIRE EMCO FOR ECO-INNOVATION?

#### **FORWARD-THINKING SOLUTIONS:**

We are at the forefront of integrating sustainable practices and materials, offering bespoke solutions that cater to your unique eco-friendly packaging needs.

#### **FASTER TO MARKET WITH A GREEN EDGE:**

Our dedicated in-house team ensures swift turnarounds, helping your sustainable products reach consumers quicker.

#### **QUALITY AND SUSTAINABILITY HAND IN HAND:**

Our commitment to excellence is matched by our dedication to sustainability, ensuring your projects not only succeed but also contribute positively to the planet.

### EXPERIENCE THE EMPIRE EMCO SUSTAINABLE DIFFERENCE

Join us in leading the change towards more sustainable packaging solutions. With Empire Emco, elevate your packaging approach to not only meet market demands but also drive environmental stewardship.
